

Corporate Responsibility Statement

Orion Group operates throughout the Thames Valley and Home Counties. We are primarily involved in the refurbishment and fitting out of commercial and industrial buildings and are able to offer our clients a 'One Stop Shop' solution. Our goal is to build long term relationships which are based upon mutual respect and understanding.

We are committed to excellence in all our activities and strive for continuous improvement in all areas of our business. We have adopted appropriate measures to help us to monitor and constantly improve our performance.

At every stage, from feasibility assessment, to the design, construction and occupation of the premises, Orion considers the economic, environmental and social issues relevant to the project. We seek to promote best practice in the acquisition of materials, in design standards, in the construction process and in the service provided to our customers.

Our responsibilities extend from fundraising and charity works, both local and national, to the development of the skills of our employees, provision for staff advancement, as well as the protection of the occupational health and safety of the public and of our employees and contractors. We are actively seeking to engage our staff, contractors and sub-contractors, who are central to the success of our CR activity.
